### REAPING BENEFIT.

From the Experience of Great Bend People.

We are fortunate indeed to be able to profit by the experience of our neighbors. The public utterances of Great Bend residents on the following subject will interest and benefit thousands of our readers. Read this statement. No better proof can be had. W. A. Dunn, 1101 Morphy street, Great Bend, Kansas, says: "I take pleasure in confirming the public statement I gave in 1908, recommending Doan's Kidney Pills. I have taken this remedy on one or two occasions since then and it has always give entire satisfaction. For five years I was subject to attacks of lumbago and there were other symptoms of kidney complaint in evidence. Doan's Kidney Pills relieved me as soon as I began taking them and improved my condition so greatly that I was convinced of their merits."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name--Doan's--and take no other.
